We offer an unlimited umbrella body service and will carry out checks for a broad range of organisations. Attached is a sample service level agreement which details our service. We ask all organisations to sign up to this before we carry out checks on their behalf. This ensures that both parties know who has responsibility for what. It also details the fees we charge - if the checks are to be carried out for volunteers we are able to offer this service at a reduced rate, and would be happy to discuss this with you further.

Free Service to mentoring and befriending groups. But we are able to offer a service to any group that needs CRBs. It is a fully postal service and if they are not mentoring/befriending organisations there is a charge.

The charges are as follows:

One off registration fee = £40.00, administration charge £15.00 per volunteer.

Each organisation has two people signed up to the service known as "named people" They support the individual in filling the form in and then id their documents. It is then sent to me and I check to make sure it is correct and fully completed. It is then sent to the CRB and on average comes back in 10/14 days.

Amber Valley CVS is now an Umbrella Body for the Criminal Records Bureau (CRB). This means that we can now process CRB checks for you at low prices.

CRB disclosures are designed to help employers make safer recruitment decisions. For instance, if you have a volunteer or employee who will be working with children or vulnerable people, they will need a CRB check.

If you are a member of Amber Valley CVS you can still use our CRB service at the same low prices. Or alternatively, you can join as a member to take part in the **FREE** checks offer.

Our prices include a nominal administration charge of £4.00 per application which helps to ensure a speedy turn around and support and contact throughout the application process. Our prices are as follows:

Enhanced: £38.00

Standard: £33.00

Volunteer: £4.00
